

**REMARKS**

Upon entry of this amendment, claims 17, 21-65, and 67 constitute the pending claims in the present application. Among them, claims 17, 21-36, 43-65, and 67 are allowed. Applicants have canceled claims 1-16, 18-20, and 66 to expedite prosecution. Applicants reserve the right to prosecute claims of similar or identical scope in future applications.

In the previous reply, Applicants inadvertently stated in the REMARKS section that claim 40 was canceled without prejudice, while in fact claim 40 was merely amended in the list of all pending claims. Since the list represents all pending claims, and the instant Office Action does not treat claim 40 as being canceled and has in fact allowed claim 40 as amended, Applicants will regard claim 40 as never having been canceled.

Applicants respectfully request reconsideration in view of the following remarks. Issues raised by the Examiner will be addressed below in the order they appear in the Office Action.

*Claim rejections under 35 U.S.C. 112, second paragraph*

Claims 37-42 are rejected under 35 U.S.C. 112, second paragraph, for lacking antecedent basis.

Applicants have amended claims 37-42 to depend on claim 67 to obviate this rejection. Applicants respectfully request reconsideration and withdrawal of the rejection.

**CONCLUSION**

For the foregoing reasons, Applicants respectfully request reconsideration and withdrawal of the pending rejections. Applicants believe that the claims are now in condition for allowance and early notification to this effect is earnestly solicited. Any questions arising from this submission may be directed to the undersigned at (617) 951-7000.

If there are any other fees due in connection with the filing of this submission, please charge the fees to our **Deposit Account No. 18-1945**. If a fee is required for an extension of time under 37 C.F.R. § 1.136 not accounted for above, such an extension is requested and the fee should also be charged to our Deposit account.

Respectfully Submitted,

Date: January 14, 2004
